

ORDER YOUR STAMP HOLDER

Our Friends Group is making available clear plastic holders, both empty and with the new \$25- Stamps inside. You can use them to display your support for the Stamp and the Refuge System. Use them on your backpack, your binocular strap, your jacket zipper, your keychain, whatever. The “backside” of the plastic holder that we sent to you with the stamp will show the logo of our Friends Group. See the photos here for some models.
